Dublin City Council Waste Collection Bag-Free Streets – Phase 3

Dear Resident,
Changes to Household Waste Presentation in your area (Map attached) will come into effect from 6th July 2026. From this date waste can no longer be presented in plastic bags in public areas. Any bags left out for collection from this date will be subject to enforcement action.

What is changing?

- Bagged waste on streets is ending
- Waste must be presented in approved bins or caddies
- The aim is cleaner, safer streets for everyone

Will my collection day change?

It is not envisaged that existing waste collection days and frequencies will be impacted by this change, however, with a 3rd Waste Stream to facilitate food/organic waste disposal there may be additional collections. You Waste Collectors will be able to advise further on this.

What bins will I use?

Your chosen waste collection provider will supply suitable waste receptacles as part of your new service and will contact you directly about Bin options and delivery

Typical options will include:
1. Smaller stackable bins (approx 45L – may suit limited storage)
2. Standard wheelie bins (80L, 120L, 140L or 240L)

The bin sizes being offered by each Waste Collector are outlined below

Collector	45L Stacked Caddie	80L Wheelie Bin	120L Wheelie Bin	140L Wheelie Bin	240L Wheelie Bin
Greyhound	✓	✓	✓	✓	✓
KeyGreen	✓	✓	✓	✓	✓
Panda	✓	✓	✓	✓	✓
Thorntons Recycling	X	X	X	✓	✓

26th May 2026

Important: Presentation times

Caddies or Wheelie Bins left out beyond the permitted collection period may also be subject to enforcement action

Why is this happening?

- Reduces litter and vermin
- Improves footpath safety and accessibility
- Improves neighborhood cleanliness
- Supports recycling and environmental targets

Who do I contact with questions?

About bins or deliveries: Contact your waste collection provider.

Collector Name	Phone	Email	Website
