Feedback: '-Advertising Structures will be charged at four times the industrial/commercial rate.

Large format hoarding should be completely banned. It is architectural scar-tissue that no city needs.

-All hotel, tourist hostel and aparthotel permissions will be charged at twice the commercial rate.

When will something concrete be done with regard to Air B&B type accommodation. Every city in Europe is experiencing housing shortages and subsequent erosion of democracy due to ridiculous housing policies that have skewed the rental market.
