## Roinnt thuairimí ó fhreagróirí:

*"With a lot of schools in the area the crossroads we pass through can be very busy at times as well as a lot of cars parked on some of footpaths leading to having to often walk on mucky grass . A cycle path or dedicated no car pathway would be amazing"*

*"I never feel fully safe walking my child to school, and this is due to high levels of traffic around the school and also drivers mounting footpaths to park near it as well. I fully believe a parking exclusion zone should be set up at all schools"*
