Safe Routes to School

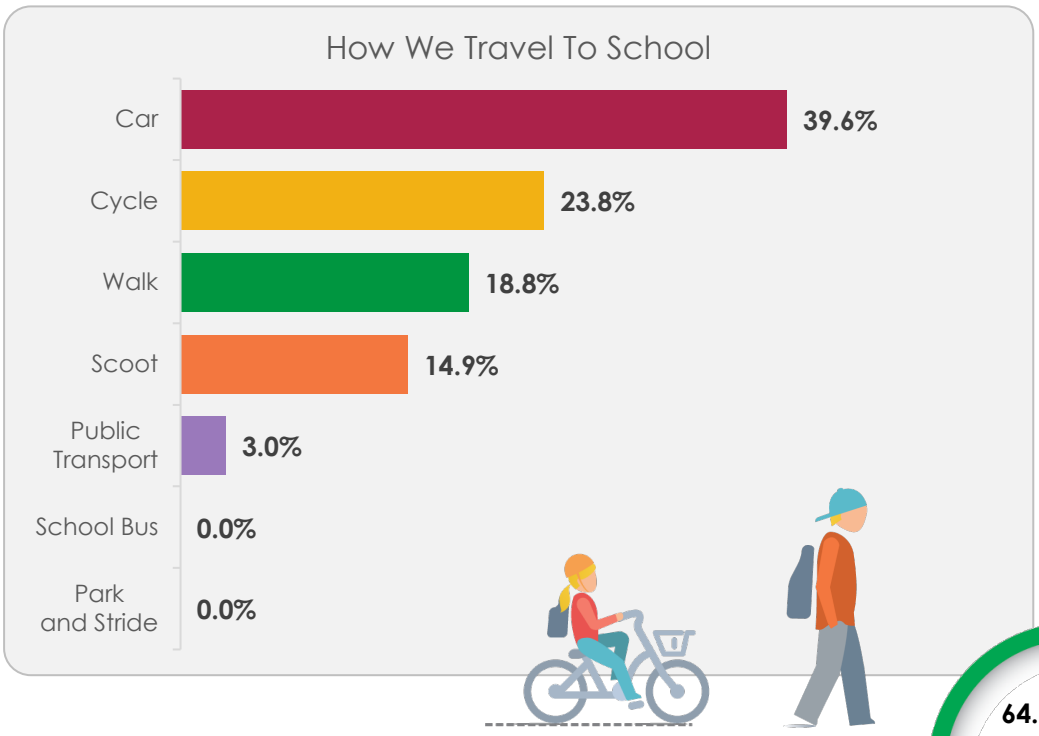
North Bay Educate Together NS Travel Survey Results

Results of Our Travel Survey

Responses received: 64 Students represented: 101

Our school has been selected to participate in the Safe Routes to School (SRTS) programme. The objective of the programme is to improve safety at the school gate and to support students to safely walk, cycle and scoot to school.

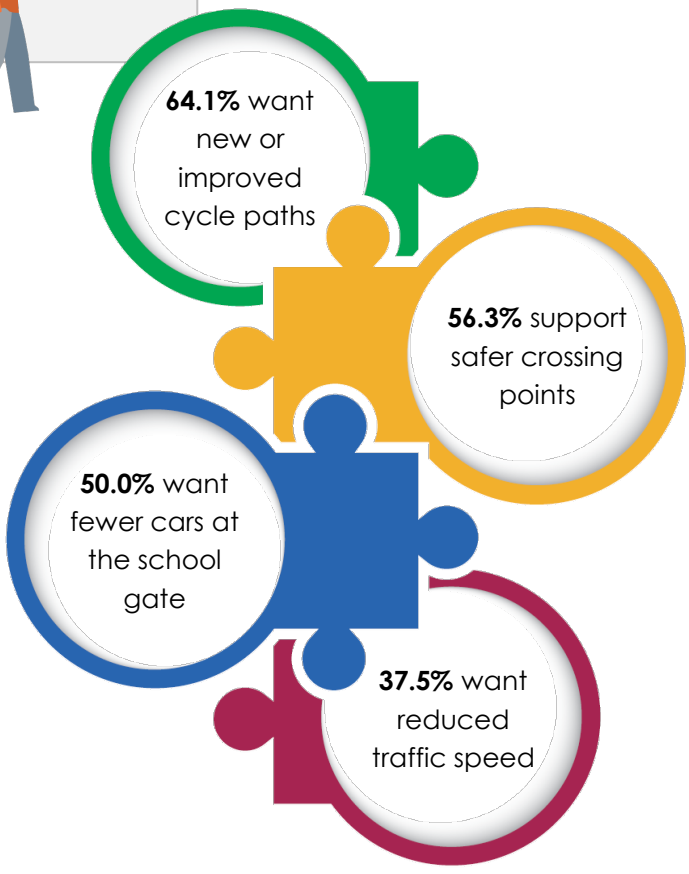
Our Travel Survey results and support for the SRTS programme is showcased below.



59.4% of respondents agreed that road safety is a problem around the school

95.3% of respondents would support works at the front of school that improve student safety

95.3% of respondents would support works that improve the walking and cycling routes to our school



Some key comments received:

"More cycle/scooter parking at school would be great."

"Cars are parking on the two corners opposite the school and it's difficult to cross the road safely in order to access the traffic warden. Double yellows needed. Cars Are mounting the footpath beside the school which is dangerous for small children."

"Cars park on the footpaths and at corners, obscuring sightlines and making it dangerous for cyclists."
